

Short Description:

Comfortable Outdoor Softshell jacket for Men with Velvet Fabric

Product Introduction:

This is a new design mens outdoor jacket. It's a completely innovative jacket. 2 layers fabric to keep you warm. On front mainly part we use velvet fabric, this fabric is in fashion trend and hand feeling is very comfortable. We put plain fabric on side make wearer slim. This jacket is with an ergonomic shaped cutting to fit your body. Fashionable look and flexible during big movement of activity.

Inner collar with fleece to make your neck warm and comfortable. There is an inner flap under front zipper, then it is good to wear in cold windy days.

As for the color way, we take one charcoal color. This is a fashion trend color. Beside these, we have other color ways for your choice. Or we can follow your idea to make a brand new design.
