

GL8833 Modern Workwear Best Winter Jacket for Men with Stretchy Fabric

Short Description:

This is a modern workwear for men, with mechanical stretched fabric, popular color, attractive reflex printing and decoration sewing.

Product Introduction:

It's a modern workwear. The outlook is very attractive.

The fabric is 95% polyester, 5% spandex, double grid/TPU. And the fabric is much soft than classic workwear. The out look is very good with popular color, and it's with good stretchy that make you freedom to move. The fabric is waterproof & breathable with seam taped. It keeps you dry and no sweaty.

There are 3 different lining fabric in suitable position to make you warm, breathable and easily wearing.

There are 7 practical pockets to hold different belongings. It's detachable hood with adjustable elastic drawstring. The hood and bottom with elastic string make it adjustable and keep wind outside. And the inner stretchy cuffs keep you warm and comfort.

The fitting pattern and segmented reflex make it more fashion. It could meet your work and life demand .

There are also some decorations: the contrast color thick thread sewing and bar tacks on arm, pockets flap with melt adhesive, make it more attractive.
